

## CLINICAL FELLOWSHIP IN SPEECH LANGUAGE PATHOLOGY FOR CLEFT LIP PALATE AND CRANIOFACIAL ANOMALIES

Smile Train's Speech Language Pathology fellowship program is a fully funded program by Smile Train which is the world's largest cleft-focused organization, with a sustainable and local model of supporting surgery and other forms of essential care. There are **100+ Smile Train** supported hospitals in India providing free cleft lip and palate surgeries. The program aims to provide SLPs hands-on training and exposure to management of comprehensive cleft care speech services and Smile Train programs and systems.
